Creative Director: Hallie King

Designer: Hanna Fu

Topic: The Impressionist Art Movement

Notes:

- **Content**
 - Good density of content on the homepage
 - Origins page feels a bit text heavy; feel free to edit content down if it fits the design better
- **Design**
 - I like the idea a more image-heavy look, especially for the homepage; the new mockups do a great job of this
- **Interaction**
 - Top nav for larger sizes, hamburger nav for smaller sizes
 - Artist page should be the most interactive; either using hovers to reveal info or carousel
